DECLARATION OF COUNSEL

JEFFREY T. ARAKAKI declares under penalty of law as follows:

1. Declarant is the court-appointed attorney representing defendant SHEERYANNE L. ST. CYR in the above-entitled matter.
2. That Ms. St. Cyr's Trial Date in the instant matter is presently scheduled for February 28, @ 9:00 a.m..
3. That Declarant was recently appointed to represent defendant substituting for Dana Ishibashi, Esq.
4. That in speaking with AUSA Michael Kawahara and Mr. Ishibashi, Declarant was informed that the discovery and trial preparation necessary in the instant case would make the present trial date

prohibitive.

5. That Ms. St. Cyr understands Declarant's need to prepare for trial and has no objection to this request. However, because she lives on the island of Hawaii and is financially constrained Ms. St. Cyr respectfully asks that her presence at this motion be waived.

6. That AUSA Michael Kawahara and Alexander Silvert, counsel for co-defendant Roger Christie, have no objections to this motion.

7. For the reasons stated, we respectfully ask this Honorable Court to grant the instant motion and continue the Trial Date to a date agreeable to all parties in this matter.

Declarant states under penalty of law that the foregoing is true and correct to the best of his knowledge and belief.
