Re: Request for Meeting/Roger Christie Case

Dear Ms. Nakakuni:

On behalf of Mr. Christie, I am asking that a meeting be held with you and Mr. Kawahara so that Ms. Monica Wallach, an attorney and friend of Mr. Christie, and defendant Sherryanne St. Cyr, and former UH Law School Dean and Professor Richard Miller, can discuss possible solutions to this case directly with you. I would, of course, be present at this meeting as the attorney of record for Mr. Christie. They have contacted me as concerned members of the bar and of the community at large, and would like to present their views to you in an informal meeting. They are well aware of the unusual nature of this request and realize that your views may not be altered in the least by this discussion, but they would simply request the opportunity to meet and discuss a resolution of this case with you.

They have been informed as to the nature of the facts of the case and the plea offer that is currently outstanding for Mr. Christie and Ms. Cyr, and they very much appreciate the position your Office has taken in this matter to date. They understand that your Office has extended itself in the offers that are currently on the table. They simply wish to discuss whether there is any further room to alter some of the terms of the plea agreements and hope to convey their opinion and thoughts to you in such a meeting.

They stand ready to have a meeting with you, at your office, at your convenience in the very near future. Mahalo.
