Comments: I support Roger Christie. He's absolutely one of the nicest people I've ever met. Wish we could watch what you folks are talking about since Roger's home is here, not Oahu. A law degree isn't required to know that the Founding Fathers of the United States of America would hold those holding Roger Christie in jail accountable for their actions. Keeping Roger Christie in jail is a criminal act according to the U.S. Constitution. Good luck to the judges and prosecutors responsible for these nefarious acts. Given time, they will surely face natural law. Good luck to the lawmakers who make their actions possible. Sorry to be so abrasive. Roger would not want this.
